Welcome!

You are in **Library Genesis¹ᴹ** online library.

Browsing and searching the library resource

You have 4 great ways to find what you are looking for:

- You can browse the library using category bar from the left side of the screen
- You can use **magic** search. Use any lexems you guess to concern the target separated by single space - e.g. 'differ equat solut delay'
- You can use **smart** search. Use any parts of the title, separated by plus sign - e.g. 'differ+equat+solut'
- You can use **author** search. Use substring of the author's name you guess included to the author field - e.g. 'herbert wells' or 'wells herbert' or 'wells, herbert'

You obtain the list of resorces using the **Dig for** button. To see more detailed information about the resource, click on its name. In the opened resource use **Get!** button.
